

**Holiday Resource for families**  
**2020 Salvation Army Christmas Angel**  
**Program**

Dear Families,

Each year the Salvation Army's Christmas Angel program offers donated gifts to children in need. This program has helped serve many families during the holiday season and we invite you to take advantage of this opportunity. Eligibility requirements include, children must be 12 years old or under, and the family must meet income guidelines **or** be on AHCCCS.

This year to help as many families as possible, the Salvation Army has moved the application process online. To apply, families can click the link provided below to begin the application process. We urge families who are interested to complete the application as soon as possible as there may not be availability as we get closer to the holiday season.

The Salvation Army collects necessary information to determine qualification for participation in the program and details on each child/family. Examples may include, but are not limited to photo ID, proof of residence (lease, utility bill or mail received from the school district or other government agency, birth certificate). Helpful Hint: As part of the application process you may be asked to provide copies of documentation. You will be able to upload from scanned copies or take photos. If you wish to take photos, please visit this site and begin your application from your camera enabled mobile device.

(The website will ask you if you have an invitation code: click NO and proceed with entering your zip code to continue).
